**\$6 for additional 15 minutes**

## House Rules for our Dog Wash

- Pets Naturally requires all pets entering our facility to be up to date on vaccinations.
- Pets with fleas or ticks must be treated and be completely free of bugs prior to entering our facility. In order to maintain the cleanliness of our store and protect the health of our other customers, we need to enforce a strict no flea and tick policy.
- You may bring your own shampoo or conditioner to bathe your dog with, however, this will not affect the flat rate fee of \$15 for one dog and \$25 for two dogs.
- If you do not use the full 30 minutes, you will not receive a discounted rate.
- For the safety of all our clients, disruptive and/or aggressive dogs may be asked to leave at management's discretion.
- Children 16 years old and younger must be attended by and under the supervision of a parent or responsible adult at all times.
- After bathing your pet, you must use the pet friendly disinfectant to clean the tub and doggie wash area. A **fee of \$10** will be assessed if the area is left excessively dirty.
- Place used towels in the provided hamper to be cleaned.
- Any brushes that are used, please clean out excess fur and place in the provided trash can to be taken care of by the staff.
- Dogs and humans can be very sensitive to the odor of skunk. To ensure a pleasant and safe environment for all customers, pets must be treated prior to bringing them in for a bath. If a pet enters the facility and our staff determines the odor is too strong, you may be asked to leave and re-wash your pet prior to coming back.
- Pets Naturally will NOT be liable for any injuries or damages to self, your pet, or any personal items while using our Self-Serve Dog Wash.

I, \_\_\_\_\_, hereby agree that I have carefully read and will abide by all the rules set forth when Pets Naturally Self-Serve Dog Wash. I will be respectful of the facility and other clients and will maintain cleanliness of the wash area. If any of the rules are not followed, I understand that I will not be allowed to use the facility in the future.
